LCC's Golf Course Dress Code

The Lancaster Country Club's course is among the best in the country. We take pride in this. This pride should reflect itself in our attire when we play the course. All members, including juniors, must follow the dress code while on the golf course and all practice facilities. Members are expected to inform their guests of the dress code in advance so as to avoid embarrassment.

Men and Boy's Dress Code All golf shirts must have a collar or mock collar. Shirts must be tucked in at all times. Traditional "Bermuda" shorts are permitted, but they must be no shorter than four (4) inches from the middle of the knee as measured while standing. All hats, visors, and caps must be worn with bills to the front, and outdoors only. Hats, visors, and caps may not be worn in the Clubhouse.

Women and Girl's Dress Code Golf shirts may have short sleeves, long sleeves, or sleeveless. Shirts without collars must have sleeves. Any type of tank top or halter top is not permitted. Traditional "Bermuda" shorts, golf skirts, culottes, and slacks are considered acceptable golf attire. Shorts, skirts, and culottes must be no shorter than four (4) inches from the middle of the knee as measured while standing.

All Golfers Denim jeans, cargo pants, athletic shorts, and sweat clothes are not appropriate golf attire. Only approved golf shoes with non-penetrating spikes or sneakers are permitted. The changing of shoes and/or clothes must be done in the locker rooms. Neatness in dress is always a prerequisite and extremely important.

Each member of the Club, the Board of Governors and the Club staff are expected to enforce the above dress code.

LCC Tennis Dress Code

All players must wear non-marking, smooth-soled tennis shoes. Running shoes are not allowed. All players must wear appropriate tennis attire.

Appropriate tennis attire includes shirts with sleeves, shirts with or without collars, skirts, and shorts manufactured by a tennis apparel company and intended to be worn for racquet sports. With all clothing, the preference is white or predominantly white, although white is not required.
